

How to Help Corky!

There are many ways you can help to Free Corky! We can't stress the urgency of Corky's situation enough... she is literally living on borrowed time... please do what you can, and whatever you do, please start right away!

1. Talk to your friends about Corky. Ask them not to patronize Sea World parks! Ask them not to use Anheuser-Busch products until Corky is free, especially Budweiser beer! Remember...

BUD'S OUT UNTIL CORKY'S OUT!

2. Write a thoughtful, polite letter to August Busch III, the chairman and main decision-maker in the Anheuser-Busch companies. Tell Mr. Busch about your decision not to use Anheuser-Busch products until Corky is home again. His address: 1 Busch Place, St. Louis, MO 63118 USA.

3. Call the Shamu hot line at Sea World. The number is 1-800-23-SHAMU (1-800-237-3157). It's toll-free, so call as often as you like. Engage the operators in thoughtful, polite conversation. They don't know Corky's whole story, or even very much of it... tell them the truth about Corky.

4. Help us make **CORKY'S FREEDOM BANER** even longer and more powerful. It is already over 2km long and growing every day. We need pieces of art painted or stitched on 50cm x 50cm patches of cloth. Send finished patches to the address below. Sections of the banner are 25m long and have 150 patches stitched together (3 rows of 50 patches). If you know of schools or teachers who would like to become involved, please contact us via the email address below.

5. Send whatever money you can afford to help the Free Corky Campaign grow. Please make your check out to the Pacific Orca Society and send it to the address below.

6. If you have other ideas that will help Corky, let us know! Thank you, so much, for caring about Corky... and for everything you can do to help her!!
